DEDICATION

The Annual Staff of Franklin High School proudly dedicates the 1966 Laurel Leaf to one who has given so unselfishly of her time to this school, and to its students. She not only has devoted her time to teaching, but also has served as sponsor of the Beta Club for thirteen years. She has instilled the qualities of leadership, honesty and fair play in the members of her class, and the Beta Club.

To you, Mrs. Martin, with deep affection and love, we proudly dedicate the 1966 Laurel Leaf.

People . . .

Catching a wink at Editors' Roundtable.

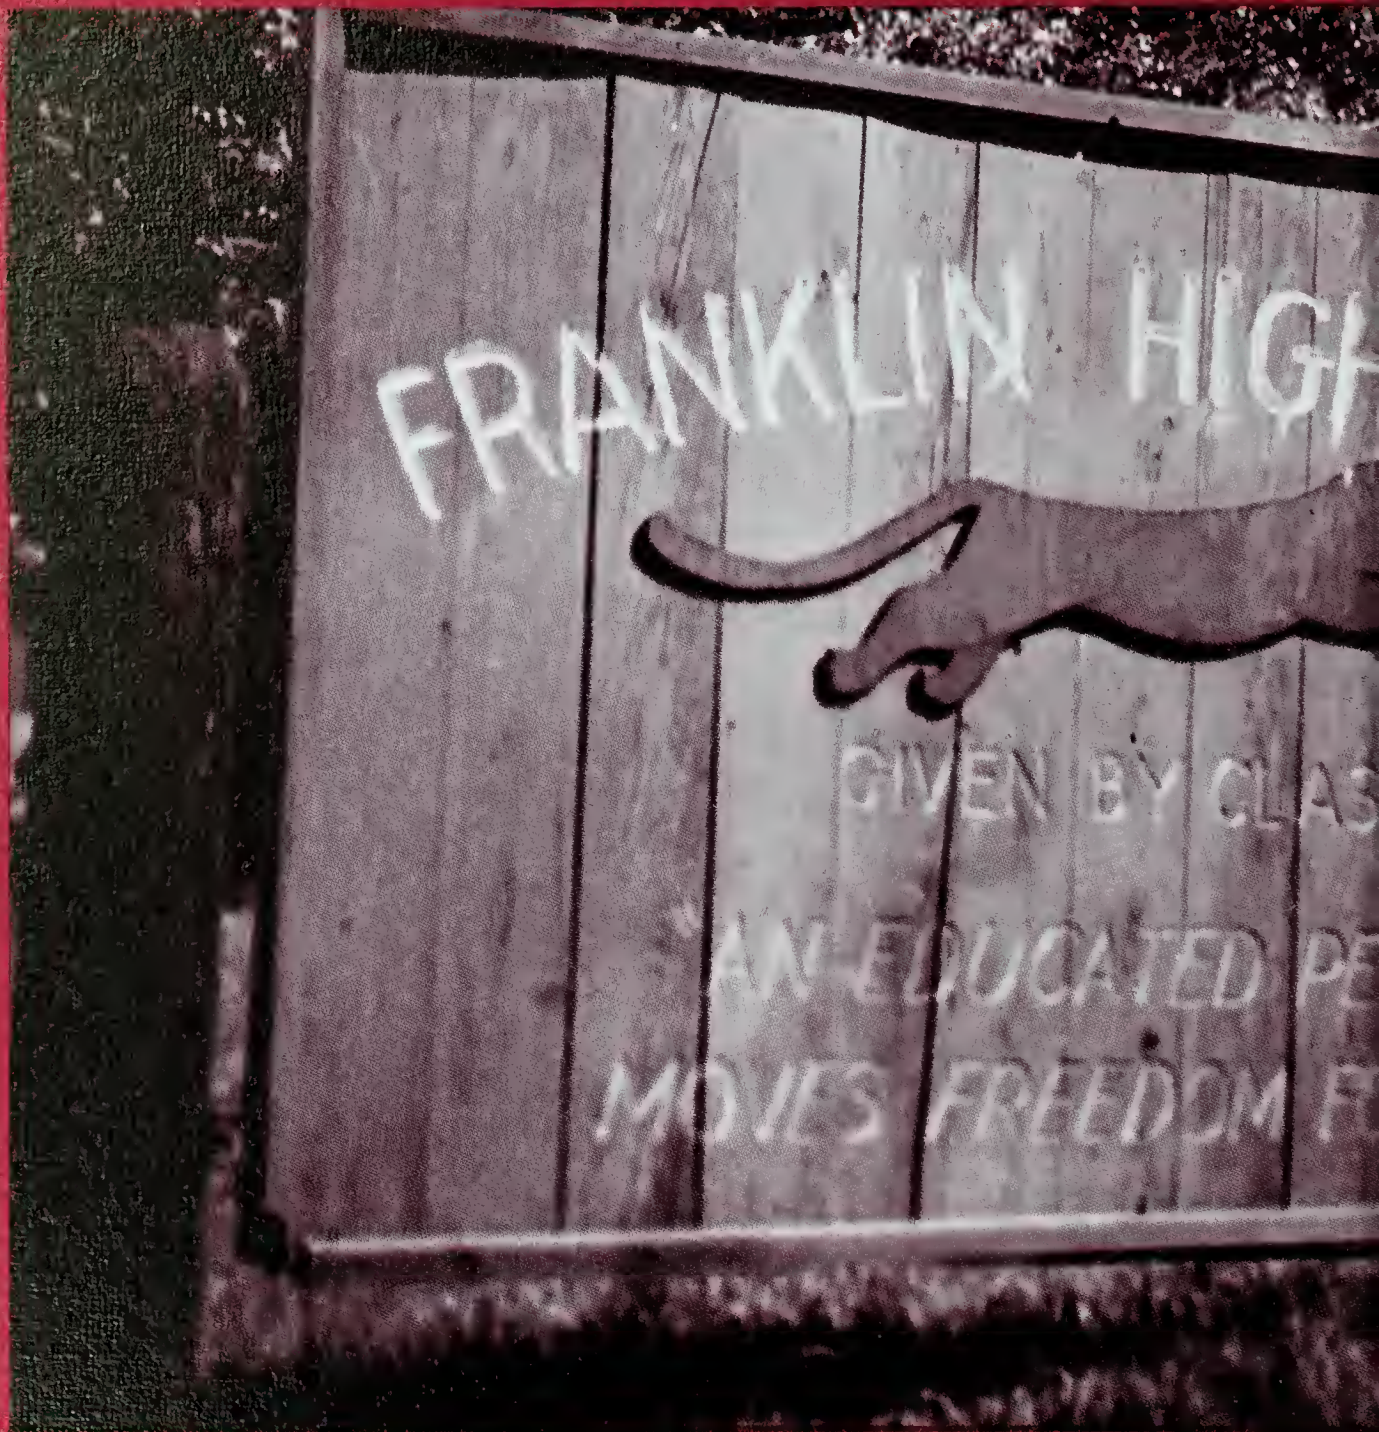

Ideas . . . Dreams and hopes . . .

Become stepping stones to the future

At . . .

Yeah, for pep rallies.

Stepping stones are advantages, auxiliaries, power; and these are attained in no other way than through personal experiences. The trials of life strengthen us: discouragements, disappointments, misfortunes, failures, adversities, and calamities, are all stepping stones for us; each successive victor raises us higher in strength and power. It is through these trials that stout hearts are made. It is through these adversities that our patience and courage are increased. However, the stepping stones which we cross become bridges which lead us to a happy future, a contented future, a good future.

SCHOOL

But most of all ...

People

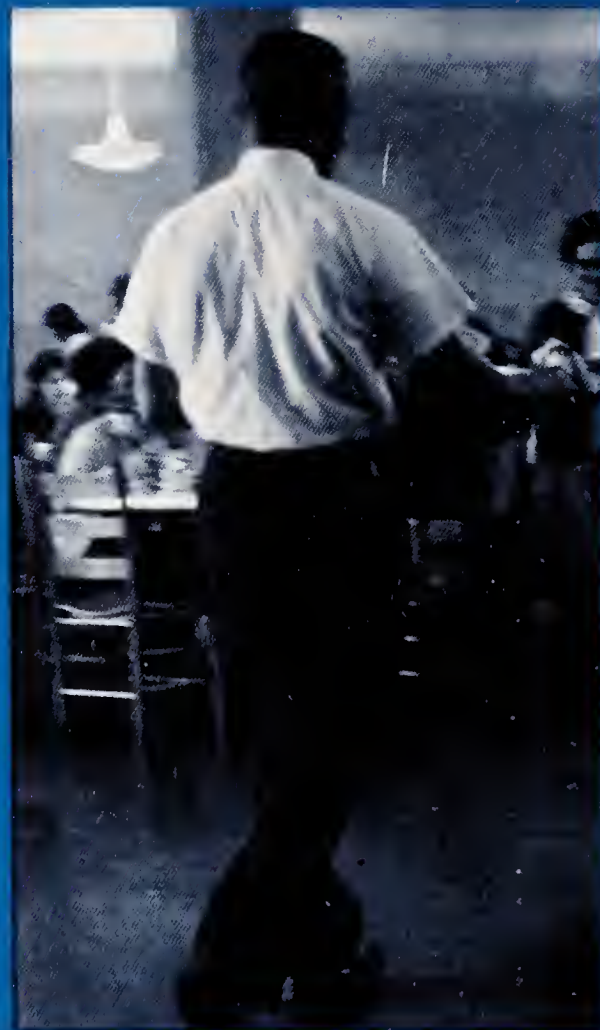

Ah, why don't you go fly a kite?

Charge !!!!

Smile, you're on "Candid Camera!"

Is it the chief, or the chef?

Principal's Message To The Seniors

Your first twelve years of formal education should have influenced, in a positive manner, the foundation you have built for your life. May you take pride in all the successes you may have throughout your life in providing greater opportunities for future generations:

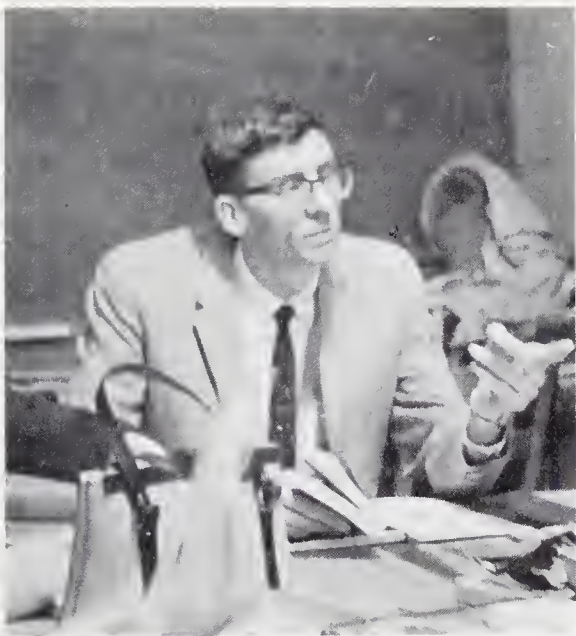

It is my desire that you travel your road of life with honor; and as Socrates adequately stated: "The shortest and surest way to live with honor in the world, is to be in reality what we would appear to be."

“As we come to the close of this year-book, we are also nearing the end of another school year. Although the sun is setting on an era in our lives, dawn is just beginning on the life of Franklin High School; and we have been a part of this ‘new day.’”

Editor's Farewell

For the seniors this new day is a big decision; it is a time when we must seek newer and higher goals, to take life as though it were a grand opportunity; to do and to achieve; to carry forward great and good ideas, that we might become good leaders for the future.

“We have much to look back upon with warm memories. May this yearbook help preserve in a vivid way many of those memories. May we find in it remembrances of many good times ... times of excitement and surprise, times of worthwhile hard work, times of companionship with friends. As we turn through its pages on some distant day may there be within us an ocean of pride and love, disturbed only by homesickness for all that Franklin High School has meant to us.”

It Was A Good Year.
